## Superhero Mask

The Van Cortlandt Park Alliance is calling all Earth Superheroes to work with us to preserve and support nature. Every superhero needs a secret identity though so make this mask before going on any earth saving adventure.

### Materials

- markers, crayons, color pencils
- ribbon or elastic
- cardboard coffee holders

Step 1- open coffee holder, cut out a small triangle at the bottom where your nose will be and holes for eyes. (See diagram below)

Step 2- Decorate your mask

Step 3- using a hole puncher or scissors add a small hole to each end of the mask. Attach ribbon or elastic to fit around your head.
